This workshop provides out-of-the-box, innovative, and imaginative ideas that turn the job search process from reactive to proactive and puts the job seeker or career changer in the driver's seat to finally "GET" not "HAVE" to go to work.

- Identify your interests
- Learn to use proactive job searching
- Build a resume based on what you can do not what you have done
- Discover your work allergies and how to avoid them
- And so much more!
